

SAMM SUCCESS STORY

Karla came to SAMMinistries when she and her two children were facing eviction for the very first time. After being laid off from her job, she quickly found new, reliable employment, but had been unable to pay her past-due rent plus their current month's expenses. Because of your support, SAMMinistries was able to assist this family with a full month's rent, enabling Karla to pay the remaining balance. The family is now current on their rent, stably housed and no longer facing eviction.
